Dear Mr. Attorney General:

The Bureau of the Budget has requested our comments on S. 2308, an enrolled bill to authorize and direct investigation by the Attorney General of certain offenses, and for other purposes.

The problems that concern this Agency arising out of this bill have been discussed in various aspects with Mr. Rogers, of your office. A copy of our reply to the Bureau of the Budget is enclosed for your information. We believe it is consistent with the understandings informally discussed with Mr. Rogers.

If we have in any way misconstrued your position, we would appreciate being informed in this regard at your earliest convenience.

Sincerely,
